Thresholds

Bidders who received the proceeding documents and comply with all the thresholds specified below, are permitted to submit their proposals, evidenced by presentation of the appropriate documents according to the specification in this section:

1. The bidder is required to be the manufacturer of the pump or a supplier who represents an Israeli manufacturer or a foreign manufacturer. In the event that the bidder is not the very manufacturer, then it is necessary to enclose an approval of the manufacturer, stating that the bidder is the representative of the manufacturer in Israel and is authorized to market the pumps of the manufacturer. In the event that the bidder is the manufacturer of the pump, the requirement is to have a representative in Israel, approved thereby. Approval and particulars of the representative in Israel must be submitted.
2. The manufacturer of the pump is required to have a proven experience of manufacturing and supply of vertical pumps with the capacity of 150 cubic meters per hour and more, in the quantity of at least 3 pumps throughout the last 5 years ending at the final date for submitting the proposals. For the purpose of proving compliance with this threshold, please enclose a list of clients verifiable by Mekorot, including the specification of the sold pumps, the site where they have been installed and contact persons and their positions, telephone numbers and e-mail addresses.
3. The bidder is required to have a proven experience of supplying pumps with the capacity of 50 cubic meters per hour and more, in the quantity of at least 3 pumps throughout the last 5 years ending at the final date for submitting the proposals. For the purpose of proving compliance with this threshold, please enclose a list of clients verifiable by Mekorot, including the specification of the sold pumps, the site where they have been installed and contact persons and their positions, telephone numbers and e-mail addresses.
4. The pump manufacturer must be ISO 9001certified. For evidencing compliance with this threshold, please enclose a valid confirmation.
5. The bidder is required to be an authorized dealer who fulfills the duty of bookkeeping and tax payments as required by law. For the purpose of proving compliance with this threshold, please enclose to the proposal suitable and valid approvals in accordance with The Israeli Transactions of Public Entities Law, 1976, as follows:

~ 1 ~

PROCUREMENT & LOGISTICS DIVISION

an authorized dealer certificate, approval of management of account books and records under The Israeli Transactions of Public Entities Law, approval for tax deduction, and affidavits duly signed in the form enclosed to this tender as appendices 1 and 2. This term applies only to an Israeli bidder.

Submitting proposals in the proceeding

The proposal shall be submitted solely "SourcingVision" system as prescribed above.

The bids must be submitted not later than July 16, 2019 at 12:00noon.
